

Enerdrive 100ah lithium battery price

Its all about offering a high quality battery at an entry level price. The battery comes with both battery a tray and straps to ensure the best stability and user function of the Enerdrive eLITE 100Ah battery.

Available in 12v 100Ah, the ePOWER B-TEC lithium battery is designed and intended for use in deep cycle applications where a single battery is required that meets the amp hour capacity.

To save costs, we decided to remove the monitoring option from the eLITE. Does this reduce the quality of the battery? Certainly not. Its all about offering a high quality battery at an entry level price.
