Why should you buy a portable power bank in Ireland?

From everyday smartphone top-ups to high-capacity laptop charging, we stock portable power solutions for home, office, travel, and professional use across Ireland. Whether you're commuting, working remotely, attending events, or travelling abroad, a reliable power bank keeps your essential devices running.

Are power banks portable?

Power banks are portable and dependable. Our RS Range comes in variants that can support multiple devices at one time through multiple USB ports, and have a range of charging capacities to suit your needs. There are also solar charged power banks available, perfect for prolonged periods in outdoor locations. mAh means milliamp-hour.

What is a power bank & how do I use it?

Power banks, also known as portable chargers, ensure you have a suitable back up power supply should you start to get low on battery. All you need is to make sure you've got the right model of USB cable to hand and you no longer have to worry about getting to a power point on the wall - simply plug your device into the power bank to recharge!
