

Jinko 260 photovoltaic panel parameters

What is a Jinko 260W solar panel?

The Jinko 260W Solar Panel (JKM260PP-60) is a high-efficiency polycrystalline solar panel, delivering 260W of maximum power output with a 15.88% efficiency rate. Its 5-busbar technology improves both power conversion and aesthetic appeal, while its dimensions of 1650 x 992 x 40 mm make it ideal for rooftop installations.

What information do you have about Jinko Solar Co Ltd solar panels?

See the table below for available information we have about Jinko Solar Co Ltd solar panels. We do our best to provide information such as the JKM260P-60 panel dimensions, datasheet, warranty information, wattage and more wherever possible.

Does Jinko Solar have a datasheet for jkm260p-60 solar panels?

We have a datasheet for Jinko Solar Co Ltd JKM260P-60 solar panels - See below link to download the PDF file. Please note: Although we try our best to ensure the accuracy of all information on this site, we do not guarantee the information is correct. Please contact the manufacturer directly for up-to-date, specific information.

Does Jinko offer a free solar quote service?

If you're interested in quotes, we offer a free solar quotes service (below). Solar panel information for products - model JKM260P-60 (260W) by Jinko Solar Co Ltd including datasheet and warranty information where available.

Jinko Solar vor einer Neubewertung?: Ich bin kein großer Freund von vielen Threads für eine Aktie, aber seit 3, 4 Wochen wird der Jinko-Thread von 2, 3 User ...
