

# Photovoltaic energy storage export tax rebate policy

China will cancel value-added tax export rebates for photovoltaic products from April 1, the finance ministry said in a joint statement with the State Taxation Administration on Friday.

Battery and Energy Storage Products Export rebate rate reduced from 9% to 6% between April and December 2026, followed by complete cancellation from January 1, 2027. The policy applies broadly ...

Starting 1 April 2026, the value-added tax (VAT) export rebate for PV products and other items will be removed. The specific list of products is set out in a separate document.

Meanwhile, the export tax rebate rate for some refined oil products, photovoltaic products, batteries and certain non-metallic mineral products will be reduced from 13 percent to 9 percent.

The announcement, jointly issued by the Ministry of Finance and the State Taxation Administration, said that export tax rebates for the value added tax of photovoltaic products will be canceled ...

On 9 January 2026, China's Ministry of Finance announced a significant adjustment to its export tax rebate policy. Starting 1 April 2026, value-added tax (VAT) export rebates for photovoltaic (PV) products and certain ...

China will eliminate value-added tax (VAT) export rebates for photovoltaic products from April 1, 2026, according to a joint notice released on Jan. 9 by the Ministry of Finance of the...

Starting April 1, 2026, the export VAT rebate for photovoltaic products and certain related products will be cancelled. The export VAT rebate rate for battery products will be reduced from 9% to 6%, and will ...

The rebate will be fully canceled starting January 1, 2027. These changes will directly increase the overall procurement cost of PV modules and battery products exported from China after the effective dates.

The core of the new policy is that PV products will have their 9% VAT export tax rebate fully canceled starting April 1, 2026, while energy storage-related batteries will see a two-step reduction (9% -> 6% ...
