

# The scam of installing photovoltaic panels for free in rural areas

Scammers across the U.S. are going door-to-door, pitching "free" solar energy systems. Many homeowners never get any solar equipment installed; those who do often get shoddy work.

Welcome to the shady underbelly of the sunshine industry, which falsely promises no-cost panels and Tesla Powerwalls.

There's no such thing as free solar panels. There are no federal government giveaways for solar panel installations, and no company is required to offer them for free. You may be...

The Energy Department and the Solar Energy Technologies Office have warned consumers about this type of online scam involving solar panels. We rate this claim False.

As more Americans turn to solar power to energize their homes and businesses, offers for "free solar panels" are becoming increasingly common. But, how can you know if the claims are true?

If you want solar panels, be very careful when evaluating installation offers. Con artists use misleading sales tactics and lies to trick homeowners out of money and personal information. If ...

Wondering if free solar panel programs are legit? Learn what getting "free" solar panels really means and how it might cost you in the long run.

It's likely a scam. While there are some government-funded solar programs for households that qualify, "going solar" isn't free. Honest businesses will tell you exactly how much it'll ...

Con artists use misleading sales tactics and lies to trick homeowners out of money and personal information. If you've received an offer for "free solar panels," it could be a scam. Always...

Riding this historic trend, some are even claiming they can bring you in on a deal of lifetime: free solar panels. Sound too good to be true? That is probably because it very well may be. ...
