

What is the model of the inverter 320kW

Compatible with bifacial PV panel, featuring 6-way MPPT, intelligent air cooling, built-in AC/DC SPD protection, and flexible monitoring methods. Max. AC apparent power. * AC voltage and frequency ...

The SG320HX is a multi-MPPT string inverter for 1500Vdc solar systems with up to 16 MPPTs and 99.01% maximum efficiency. It offers high yield through multiple MPPTs, compatibility with 500Wp+ ...

The MAX 320K-X Utility Scale Inverter is designed to meet the demanding requirements of modern large-scale solar power plants. As a high-performance utility inverter, it integrates advanced safety ...

HYXiPOWER S320K-HT is a 320kW utility string inverter with 99.03% efficiency, AI-powered 5% generation boost, grid-friendly THDi<1%. Built for large-scale solar.

With power output options ranging from 320kW to 385kW, this advanced string inverter supports high-efficiency energy conversion for utility-grade solar projects. It features multiple MPPTs for precise ...

Ginlong Technology's 320kW three-phase string photovoltaic inverter, 1500V DC input and 800VAC output, aims to provide more cost-effective adaptation products for large power plants.

This 320-kilowatt three-phase photovoltaic inverter employs advanced technology, offering high efficiency, stability, and reliability. One of its key features is its three-phase structure, which enables ...

High Yield Max. efficiency 99.01%, China efficiency 98.5% 12 MPPTs, single MPPT max DC is 40A

What is the model of the inverter 320kW
